Improving Safety, Comfort and Sustainability for ADAS and AD with OADF Standards
ERTICO, Brussels/Belgium
3 September 2025

A free event initiated by the Open Auto Drive Forum (OADF) – www.openautodrive.org

Venue: ERTICO, Avenue Louise 523, 1050 Brussels, Belgium

Please register by 18 August 2025 (deadline for onsite participation) using the following link:
https://us02web.zoom.us/webinar/register/WN_c2-BIa51RFuEKh_UVVt35g

During registration, you will be asked whether you plan to attend onsite in Brussels or online. Please note that online participation is available for the morning session only and does not include access to the afternoon workshops.

Time (CEST)		Subject	Responsible
What is the OADF?			
09:00 – 09:15	1.	Welcome	Steffen Kuhn, OADF Speaker
09:15 – 09:45	2.	Introduction to OADF, its Member Organizations (ADASIS, NDS, SENSORIS, TISA, TN-ITS)	Steffen Kuhn, OADF Speaker Chairmen
09:45 – 10:00	3.	Update on Japanese Activities	Takuya Taniguchim, DMP
10:00 – 10:30		Break	
How can you benefit from the OADF standards?			
10:30 – 10:45	4.	Overview OADF Ecosystem	Steffen Kuhn, OADF Speaker
10:45 – 11:15	5.	OADF Use Cases: 1. Local Hazard Warning 2. Intelligent Speed Assistant (ISA) 3. Adaptive Cruise Control 4. Automated Lane Change 5. Highway Driving Assist 6. Motorway Chauffeur 7. Minimal Risk Maneuver (Road Shoulder Stop) 8. Automated Valet Driving 9. Low-Speed Automated Driving	Steffen Kuhn, OADF Speaker
11:15 – 11:30	6.	ADASISv3 Startup Kit	Carsten Schroeder, Elektrobit
11:30 – 11:45	7.	NDS Evaluation Access	Otto Nyiro, NDS
11:45 – 12:30		Lunch Break	
How can we improve the OADF standards further to support future ADAS and AD functions better?			
12:30 – 14:00	8.	Workshop: Local Hazard Warning	Otto Nyiro, NDS Andras Csepinszky, SENSORIS Matthias Unbehaun, TISA
14:00 – 14:15		Break	
14:15 – 15:45	9.	Workshop: Intelligent Speed Assistant (ISA)	Christian Kleine, TN-ITS Andre Schucht, ADASIS Otto Nyiro, NDS
15:45 – 16:00	10.	Wrap-Up	Steffen Kuhn, OADF Speaker
